Education

Ateneo de Manila University May 2026
Master in Data Science *Metro Manila, PH*

- Graduate Assistant (Math & Environmental Science Departments): taught calculus reviews; ran event logistics, comms and creatives.
- Capstone (Bank of the Philippine Islands): proposed and proved properties of a merchant-distinctiveness metric, applied with community detection and GNNs to identify hidden high-value customers from spending behavior.

Ateneo de Manila University May 2025
BS Applied Mathematics (Data Science), Minor in Economics *Metro Manila, PH*

- Summa Cum Laude; University Academic Scholar (full tuition); DOST Scholar (national STEM scholarship).

Research

Conference Papers

- **I.Y. De Leon**, L.R. Fermin, Z.A. Africa, R.I. Flores. "TDR: Tagalog Diacritic Restoration Dataset." *O-COCOSDA 2026* (oral). arXiv:2610.17597.
- **I.Y. De Leon**, H. Ouchi, S. Sakti. "Tanawpamana: Benchmarking Vision-Language Models on Philippine Cultural Heritage Sites." *O-COCOSDA 2026* (poster). arXiv:2610.17596.
- S. Angeles, E. Panugayan, **I.Y. De Leon**, C. Cheng, T. Tiam-Lee. "FilSwitch: A Filipino–English Code-Switched Speech Dataset." *O-COCOSDA 2026* (poster).

Preprints

- V. Zouhar et al. (incl. **I.Y. De Leon**). "Last Translation Benchmark." arXiv:2609.04173.
- J.R. Montalan, D.D. Africa, J.P. Layacan, R.I. Flores, **I.Y. De Leon**, L.C. Gamboa. "PACUTE: Phonology-, Affix-, and Character-level Understanding of Tokens for Filipino." arXiv:2606.15144.

Reports

- **I.Y. De Leon**, A. Malubay. "We Are Convinced That Persuasion is Linear and Bilingual in LLMs." *Apart Research Global South AI Safety Hackathon*, 2026. Report.

Research Positions

Gigascale Laboratories Jun–Aug 2026
Visiting Researcher *Remote*

- Built a multi-agent social media sandbox to study how an agent's alignment drifts among adversarial or roleplaying peers.

Technical Alignment Research Accelerator (TARA) Mar–Jun 2026
AI Alignment Fellow *Metro Manila, PH (hybrid)*

- Alignment fellowship covering transformers, mechanistic interpretability, RL, LLM evaluation and agents.
- Developed a persuasion-based jailbreaking method in Filipino that outperformed English prompts in most risk categories.
- Studied alignment drift in multi-agent systems using mechanistic interpretability; recognized among the cohort's top projects.

Nara Institute of Science and Technology Jan 2026
Research Intern, Human-AI Interaction Lab *Nara, Japan*

- Built a benchmark of vision-language models on Philippine cultural heritage using UK AISI's Inspect; became Tanawpamana.

Professional Experience

Globe Telecom Sep 2026–Present
AI Forward Deployed Engineer *Metro Manila, PH*

- Embedded with business units to turn telco problems into production AI solutions, from scoping and discovery through rollout.

Safe AI Philippines (SAIPH) Jul 2026–Present
Head, AI Governance Career Accelerator *Metro Manila, PH*

- Co-lead Batch 2 of a 10-week AI governance career accelerator for 30+ mid- to senior-career professionals: curriculum, project-phase design and discussion facilitation.
- Founding member relaunching AI Safety Diliman as SAIPH, envisioned to be the country's national AI safety hub.

Ayala Corporation Apr–Sep 2025
Data Analytics and AI Intern *Metro Manila, PH*

- Identified drivers of car sales from dealership data with AC Mobility; findings were adopted into their forecasting model.
- Modeled early-adopter behavior in a mobility app with Markov chains to inform feature prioritization.
- Built an automated HR analytics dashboard tracking core workforce KPIs, including headcount, attrition and leave.

Bank of the Philippine Islands (BPI) Jun–Aug 2024
Data Science Intern *Metro Manila, PH*

- Built projects on explainable AI for credit risk, product recommendation, customer segmentation and web scraping.

Additional Information

- **Training:** TARA; BlueDot Impact (Technical AI Safety); SAIPH AI Governance Career Accelerator (Batch 1).
- **Literary awards:** National Youth Achievement in Literary Arts (Philippine NCLA, 2025); Ateneo College Award in the Arts (2025); Mulry Award for Literary Excellence (ADMU, 2025).
